NOFD Programs and Services

Apparatus Demonstration: Meet actual firefighters as they explain their job descriptions and the equipment on the fire apparatus.

Fire Safety Presentation: Firefighters teach three main goals of an emergency action plan (eliminating hazards, education and evacuation) to facilities such as: Schools, Businesses or Public and Private Agencies.

Engine House Visit: Visit an Engine House and meet with the firefighters. Provides an opportunity for children to gain an understanding of the roles firefighters play in the community. Engine House visits are scheduled three (3) weeks in advance. Between 15 and 30 visitors, depending on Station size and only two (2) tours scheduled per day.

Fire Museum and Educational Center: Tours are scheduled five days in advance and up to 30 visitors per tour. The museum charges no admission fee, but donations are welcome. Visitors of all ages will have a hands-on experience during the tour and fire safety class learning important fire safety techniques and about the history of firefighting is New Orleans.

Flashy the Fire Dog: Flashy is designed to be an interactive learning devise for young children. Availability varies depending upon manpower. A fee may be charged for after hours activities.

Smoke Detector Installation or Battery Replacement: An NOFD Unit will contact you to arrange a convenient time to come to your home and install Smoke Detectors or change the battery in your smoke detector.

Other: If the type of program or service you need is not listed, place "Other" on the line above next to Type of Program or Service requested and list a brief description of your request.
